Make a Donation

Why donate? KTRA has very low membership fees. We feel that it is better to ask for voluntary donations to support the work of the Association than it is to raise the fees and narrow the membership. If you are a business, your donation will be acknowledged on the Association website by the publication of your business logo and a link to your website.

Tax deductions: KTRA is not registered as a charity and so donations are not tax-deductible as charity donations. Businesses may be able to claim it as an expense.
